# CHAPULTEPEC WINS AGAIN

TAKES THE CARLTON STAKES AFTER LEAD-ING FROM START TO FINISH DECISIVELY.

Sir Martin Captures the Great American Stakes and Is Declared the Best Two-Year-Old

Yet Shown.

New York, June 6.—With three rich stakes down for decision and with perfect weather, one of the greatest crowds of the season saw the racing at Gravesend this afternoon, and, while results were not altogether in line with the expectations of the public, the sport was of a high order.

Sir Martin repeated his success of last Saturday in the National Stallion Race by taking up 125 pounds and again administering a beating to Selectman and Bobbin in the Great American Stakes. On strict book form he must be classed as the best youngster yet shown, but a majority of those who saw the race today believe that his stable companion, Fayette, which finished second, could have won had not a declaration to win with Sir Martin been made. Selectman met with much interference, while Bobbin drew the rail position and was at a distinct disadvantage. The surprise of the race was Strike Out, for which H. B. Duryea gave \$15,000 last fall. He was starting for the first time and, after getting away many lengths behind the others, raced into the lead after going a quarter, but tired in the stretch. He is worth attention at his next out.

The Great American Stakes was first run in 1889.

# TORONTO'S MEETING BROUGHT TO A FINISH.

### Ellicott Defeats Inferno Unexpectedly in the Coveted Waterloo Handicap.

Toronto, Ont., June 6.—Brilliant racing and a card that would have been a credit to the metropolitan tracks attracted a crowd to the Woodbine track that completely filled the enclosure. The public shared profits with the forty-three layers that cut in for the closing day and picked half of the card. The Tyro Stakes for two-year-olds, the William Hendrie Memorial Handicap and the Street Railway Handicap for the timber-topping division, which has been run continuously for twenty-four years, were the leading attractions on the card.

John Madigan's Simcoe annexed the Tyro Stakes, which carried a value of \$1,065 to the winner. The start was delayed by the running away of 0tsi Keta and Plaudmore, the former running away a mile at top speed and finally going over the fence on the clubhouse turn and the latter getting impatient by the long delay, went two miles before he could be pulled up, the field being sent away without them.

be could be pulled up, the new without them.

The William Hendrie Memorial Handicap, named in honor of the nestor of the Canadian turf, went to the consistent horse Photographer, with Glimme finishing in the second position and Caper Saucastial

finishing in the second position and Caper Sauce third.

The Waterloo Handicap, which has heretofore gone to Canadian-owned horses, this year went to John Madigan's good colt Ellicott, the longest priced horse in the race, with Inferno second. The Street Railway Stakes went to Bound Brook, with Touchwood finishing second and John Dillon, the opening favorite, third, while Spencer Reiff, the post choice, finished fourth.

# NEW YORK ANTI-RACING BILLS.

Albany, N. Y., June 6.—The positive prediction of Chairman James Wadsworth of the State Racing Commission that the Agnew-Hart anti-race track gambling bills will again be defeated next week is corroborative of those already uttered by Senator McCarren. "Big Tim" Sullivan and others who have been here since the governor revived his fight to put the measure through. The bills will be called up on Monday.

# MONTREAL'S MEETING STARTS OFF WELL.

### Governor-General Grey, the Elite of Society and Thousands of Minor People in Attendance.

Montreal, Que., June 6.—Under conditions that could not well have been improved on and before the largest gathering that ever witnessed a running race in the province of Quebec, the second spring meeting of the Montreal Jockey Club began today at its beautiful Blue Bonnets course.

Ten thousand persons were present to witness the features of which were the King's Plate.

Ten thousand persons were present to witness the racing, the features of which were the King's Plate, a steeplechase over the two-mile course and the Inaugural dash, a sprint at six furlongs, which brought together some fast horses.

Earl Grey favored the opening with his presence, He attended in state and had as escort the Royal Canadian Dragoons. Society turned out in force, It was a gathering that the Montreal Jockey Club should well be proud of, and the enthusiasm of those present assures the success of racing in the province of Quebec. Those who were present were out for sport's sake, and not even the famous Ontario Jockey Club of Toronto could boast of a finer gathering than was present at Blue Bonnets this afternoon.

noon.

Interest naturally centered in the running of the King's Plate, as all of the five starters were owned by local turfmen. The race proved to be a hotly contested affair, the winner turning up in the favorite, Harmony, which beat S. S. B. out a half length after a driving finish which lasted from the head of the stretch to the finish. The finish of the race aroused great enthusiasm and when Earl Grey presented the parchment from King Edward, which called for fifty guineas added by his majesty, a great ovation was accorded Mr. Boswell, owner of the winner.

Several stables arrived this morning, among them those of James McLaughlin and P. M. Civill from Toronto and W. F. Mathews from New York. The horses entered by the Mathews and Civill stables were scratched, while McLaughlin elected to start all of his. Among this morning's other arrivals were jockeys T. and C. Koerner. W. O. Joplin with W. F. Mathews' horses and J. W. Pangle with several of Joseph E. Seagram's horses. Jockey Olandt accompanied the stable and will have the mounts on the Seagram horses during the meeting. Several stables are due to arrive in the morning, among them a division of J. H. Madigan's stable, Woods Garth, A. E. Gates and A. J. Buchanan.

Campalgner was kicked while at the post by Miss Marjorie and one of the veins inside his hock sewered. The horse bled profusely when he pulled up, but the injury was not of a serious nature.

# JAMES R. KEENE AND HIS BETS.

James R. Keene has not bet—save an occasional \$100—since he was forestalled with Foxhall in England. The story is, he took plunger Walton by the throat, and said "let me 'on' for my wager or the horse will not start." The "plunger" meekly handed over his book, the Keene interests treated him fairly after teaching him not to forestall a fighting owner next time, and the rest is history. Today Mr. Keene does not bet, whatever the ignorant may dream to the contrary.

# KENTUCKY POOLROOMS WILL SUFFER.

Lexington, Ky., June 6.—The law probibiting the operation of poolrooms and handbooks in Kentucky will be in effect on and after Monday, June 15. It will be rigidly enforced. Sheriffs in many of the counties have had printed copies of the law posted conspicuously. It behooves the sheriff to suppress the betting places, otherwise he will lose his office and go to jall.

Thistledale raced to his best form and always showed the most speed, jumped better than ever before and was never fully extended. California King was in close quarters all through the running and was repeatedly bumped when going to his fences and, considering the interference, his race was impressive. Alfar run a high-class race, but was just a little short and should do soon. Rocket tired badly in the final drive. Malacca was making his run in the last turn of the field when he fell heavily three jumps from the finish. Sheriff Williams, running loose, knocked Sanctus down.

Madman showed a great burst of speed, and only tired right at the end, was evidently a trifle short and should improve. Rostrum ran well throughout and easily held third place safe. Patsy ran in improving form. Lawton Wiggins raced green and can do better. Yankee Daughter was away badly and could never reactia a contending position.

# ANSWERS TO QUERIES.

J. W. L., Chicago. The mutuel figures printed were correct.

E. D., Cincinnati, O. It was Hogg that rode Bill erron and not J. Lee.

J. E. K., Kenosha, Wis. 7 to 10 would be a fair price on the Whitney entry, with Rossfenton de-ducted.

W. R., Salem, Ill. You have it correctly. The \$5 is deducted in each case and the remainder is the sum won.

M. C. K., Chicago. The figures given include the \$5 bet. Deduct it and the remainder is what was won. Make your own calculations on that basis.

A. M., Detroit, Mich. The bet should be paid. No such horse as Big Gun was running, and if you named High Gun the bookmaker cannot count his own error against you.

own error against you.

C. J. R., Chicago. The bookmaker should pay on Field Mouse and Fitz Herbert at any rate, but, as a matter of fact, he should pay as the bet was made, the intention being obvious.

H. H. S., Milwaukee, Wis. It is very simple. Deduct \$5 in each case. Thus Miss Strome paid \$12.10 to \$5 straight, and \$2.45 to \$5 place, and so of the others. Make your own calculations on that basis.

wm. D. St. Louis, Mo. Either your contention is correct or else the transaction ended when the money was reduced to less than \$25. Having executed the bets as they came up seriatum the bookmaker had no right to split what was left on several horses, but should have applied the whole sum in one bet on the next horse in order.

OAKLAND MEETING COMES TO A CLOSE

Long List of Owners, Trainers, Jockeys and Horse Reinstated by the Stewards.

Oakland, Cal., June 6.—The tremendous outpouring of people at the beautiful Oakland race track today, the closing and 180th day of the long winter and spring meeting of the New California Jockey Club bore eloquent testimony to the immense popularity of the thoroughbred sport in California. Approximately 15,000 race-goers saw the wind-up and enjoyed a glorious afternoon's sport.

The stewards issued these new rulings: The following persons and horses have been reinstated by the stewards of the New California Jockey Club: Owner Jack Clifferd, trainer O. A. Hume, owner W. H. Sperling, horse Canardo; jockeys W. Powers, R. Davis, P. O'Donnell, J. Carroll and the horse Potrero Grande.

Two other protests have been filed against purses won by Tommy Ahearn and Mrs. O'Farrell, by F. Wilson, owner of Alcibiades, and the Lone Pine Stable, owner of John H. The stewards will order Joe Stern to pay the purses to these owners.

Secretary Percy W. Treat's official figures for the total disbursements in purses and stakes during the meeting just closed are \$549,620. As far as is known this is a record for any race meeting in this country. J. O. and G. H. Keene are the biggest winning owners and S. C. Hildreth is second.

Meadowbreeze, away in a tangle, saved ground all the way and finished fast. Rustle gained steadily and was going fast at the end. Bess Ward acted fractiously at the post and showed much speed for a half. Little Osage also showed speed for a half, but quit badly in the stretch. # MADDEN'S BIG STRING OF THOROUGHBREDS.

Annually John E. Madden starts out with a buge stable of horses of his own breeding, all of which are for sale and most of which he does sell before the year's campaign is over. This year was no exception, he sending into training fifty-nine horses, mostly two-year-olds. Some of these he has sold and with others he has made a decided impression as a winning owner, the rich National Stallion Race, Juvenile Stakes and other desirable races having already fallen to him through the prowess of his bome-bred youngsters. The stable with which he began the campaign of 1908 was made up of the following horses:

MUTUELS PAID LONG ODDS IN EARLY DAYS

Race-goers of the early eighties recall that the present use of the pari-mutuel betting system at Latonia is not the first in the history of that section. The biggest odds ever paid at the Kentoa County track were recorded in 1883, when Levant inished first, entitling his backers to \$505.80 in return for every \$5 wager. On the same track, in 1885, Keokuk won at \$306.30 for every \$5 wagered. The biggest money received on a \$5 mutuel bet in the history of American racing is said to have been at Jerome Park in 1872, when Nickajack's 'supporters got \$1.178 for every \$5 wagered. Wapakonita some years later paid \$1.080.80 for every \$5 bet. The longest price recorded during the present use of the system was at Louisville, May 13, when backers of Percy Green received \$696.60 for every \$5 wagered.

# NOTES OF THE TURF.

E. J. Ramsey will leave next week for Oklahoma, where he will take up a half dozen horses that have been turned out during the winter and ship them to Butte.

Information would be gratefully received by his wife of the whereabouts of jockey J. W. Carter, formerly a steeplechase rider. Address, Mrs. J. W. Carter, 1001 St. Louis St., New Orleans, Lu.

Aside by side as pari-mutuel cashiers at Latonis are Frank Fowler and Roger Sullivan. It has not been so many moons since Fowler was running the Queen City track at Newport, and Roger was the secretary.—Cincinnati Enquirer.

attention to the following special

Announcement. I am in a position to advise all my friends that on

Wednesday, June 10th, Montreal,

a borse specially prepared and shipped from New York for one of the season's biggest coups starts there. You know my reputation for squareness, so take my word for it I can make you win a big bet with a moderate investment. Everything has been arranged and nothing has been overlooked to make this the cinchiest kind of a cinch. You'll consider yourself lucky after the race to have subscribed. It's a spot for a

Plunge Bet.

No one outside of the immediate stable connections and myself knows anything about the inside workings of this comp, and we confidently expect 8 to 1 for our money. Wednesday is the day and you cannot afford not to be "in" on the best thing of the season.

if this horse does not win at 6-1 or better, or, if preferred, you are entitled to three days of my famous Gravesend Information. Remit by telegraph, special delivery or registered nail no later than Monday night. To miss this means you don't want any money. Address,

Al. Foreman,

2 Stuyvesant Street, New York City. 'IT IS A JOKE."

The way intelligent appearing men go to the race track and poolroom and simply give their hard-earned money away is indeed a joke. No occasion at all to do it. If you had my original, positive method of playing the races, they could not beat you. Opportunity knocks at every man's door, but he should not wait until the panels are kicked in before waking up. I have a proven, practical system that beats the game to a certainty. Get my method at once and win instead of making a sucker of yourself. Easy to obtain. Send M. O. \$5 at once and receive my method, including my Positive Flat Bet Handbook Plan. Address,

THE PARAGON SYSTEM has won steadily for four years and never required \$100 capital at any time. If the records do not prove this we will refund your money. It is based upon the best idea ever used in playing the races, and is adaptable to either track or handbook. There is no chance to make a mistake. The price is \$2.00 only.
